

Dear Faculty and Student,

Greetings from AICTE NEAT TEAM!!

National Educational Alliance for Technology (NEAT) is a Public-Private Partnership formed between AICTE and the Education Technology Companies of India. NEAT facilitates enhancement of the employability skills among students by collaborating with Education Technology Companies.

As the country faces a lockdown, students can benefit from online learning solutions to develop their skills and enhance their learning.

AICTE, through its National Educational Alliance for Technology (NEAT) initiative has provided Artificial Intelligence based personalized and customized E-learning. 45 Products from 13 EdTech companies of various category are onboarded on NEAT portal <https://neat.aicte-india.org/course>

We are herewith to inform you that Facebook session on NEAT is scheduled on 21st July 2020 (3:00 PM onwards) for more awareness among the all stakeholders.

Facebook sessions are as per below given schedule:

Speakers:

Prof M. P. Poonia Hon'ble Vice Chairman AICTE,

Mr. Buddha Chandrasekhar Chief Coordinating Officer, NEAT, AICTE

Dr. Ashwini Kumar Sharma, Chairman, NEAT Portal Committee,

Prof. Shyam Sundar Pattnaik, Director, NITTTR

EdTech Partner: E-Box (Amphisoft Technologies Pvt Ltd)

Date: 21st July 2020, Tuesday

Theme: Challenges in HEIs, Use of Technology for Education, E-Content and Employability Enhancement Skills & Launch of NEAT Product Ebox - Induction of 2000 students to the NEAT Portal

In this regard, it is requested to join this Facebook session for more awareness about the scheme and subsequently for the benefits of students as well as faculties.

It is also requested to upload this information on your website and share with the teaching and students via email and other social media.
